

“Digital economy & society in the EU” **– New digital publication presenting** **our online world in figures**

Surfing, chatting, online shopping are among our everyday activities that use information and communication technologies (ICT), such as computers, laptops or smartphones. Nowadays, we spend a considerable part of our time online for various reasons, whether at work, at school or university, at home or on the move. Often we depend on our digital devices to stay in contact with family and friends, to get directions to shops, hotels and restaurants or to check our bank accounts.
