

# [e-Appointment service extended to Appeals Registry, High Court Registry and Integrated Mediation Office](#)

The following is issued on behalf of the Judiciary:

The Judiciary today (January 3) announced that following the introduction of the e-Appointment service for the various services in the Probate Registry, the Family Court Registry and the Lands Tribunal Registry in March 2021, the service will be extended to the Appeals Registry at the Clerk of Court's Office of the High Court, the High Court Registry and the Integrated Mediation Office on Friday (January 7).

The extended e-Appointment System will enable unrepresented litigants or applicants to make online appointments via the respective new dedicated web links shown below for specified services of the registries and office from Friday.

Unrepresented litigants can make online appointments via [www.judiciary.hk/en/court\\_services\\_facilities/arci\\_index.html](http://www.judiciary.hk/en/court_services_facilities/arci_index.html) for attending the Appeals Registry to file a notice of appeal, or summons for leave to appeal or extension of time to appeal for civil matters.

## High Court Registry

## Integrated Mediation Office
