

EIOPA publishes first set of Questions & Answers on the Application of the Insurance Distribution Directive

Today, the European Insurance and Occupational Pensions Authority (EIOPA) published the first set of Questions & Answers (Q&As) providing practical guidance on the application of the Insurance Distribution Directive (IDD) and its implementing regulations.

The Q&As for requirements for the Product Oversight and Governance arrangements can be found under this [Link](#).

The Q&As on the additional regulatory requirements for Insurance-based Investment Products can be found under this [Link](#).

These questions were raised by different stakeholders. EIOPA will continue to address and subsequently publish the answers to further questions. For future questions stakeholders are kindly requested to submit them via EIOPA's online tool accessible via the following this [Link](#).
