

Employer fined for late payment of wages

Super Dragon Management Limited was prosecuted by the Labour Department (LD) for failing to pay an employee's wages, totalling \$108,000, within seven days after the expiry of the wage period as required by the Employment Ordinance (EO). The employer was fined \$60,000 after pleading guilty at Eastern Magistrates' Courts today (May 25).

"The ruling helps disseminate a strong message to all employers that they have to pay the wages to employees within the time limit stipulated in the EO," an LD spokesman said.

"The LD will not tolerate these offences and will continue to make dedicated efforts in enforcing the EO and safeguarding employees' statutory rights," the spokesman added.
