

## **EMSD announces test results of LPG quality in May 2023**

The Electrical and Mechanical Services Department (EMSD) today (June 9) announced that the department collected nine liquefied petroleum gas (LPG) samples from auto-LPG filling stations and LPG terminals on a random basis in May 2023 for laboratory tests. The results show that the LPG quality of all these samples complied with auto-LPG specifications.

The detailed test results are available on the EMSD's website ([www.emsd.gov.hk/en/rl/lpg\\_sample\\_analysis\\_simple](http://www.emsd.gov.hk/en/rl/lpg_sample_analysis_simple)). Enquiries can also be made to the EMSD's hotline on 2333 3762.

In addition, the EMSD has been vetting independent third-party test reports submitted by LPG supply companies for each shipment to ensure that the quality of imported LPG complies with the specified requirements.
