

# EMSD holds “Witty Bear Academy” exhibition (with photos)

The “Witty Bear Academy” exhibition is being held by the Electrical and Mechanical Services Department (EMSD) from today (October 10) to October 15 at The Wai, Tai Wai. It aims to promote electrical and mechanical (E&M) safety and energy efficiency, and introduce the E&M industry.

Speaking at the opening ceremony today, the Director of Electrical and Mechanical Services, Mr Poon Kwok-ying, said that the EMSD has been diligently promoting public education and youth development through various channels such as organising activities under the E&M Young Ambassador Programme and deploying a promotion truck, with a view to enabling the younger generation to have a better understanding of the EMSD and the E&M industry to cultivate their interest in joining the industry in the future to unleash their potential and realise their goals.

Admission to the exhibition being held at the L2 Atrium, The Wai, Tai Wai, is free. It features game booths and a virtual reality game. Participants can receive souvenirs after completing the games. Members of the public can also take photos with the EMSD's mascot, Witty Bear. For details, please visit the EMSD's website ([www.emsd.gov.hk/en/what\\_s\\_new/current/index.html](http://www.emsd.gov.hk/en/what_s_new/current/index.html)).
