

EMSD releases lift and escalator contractors' latest performance ratings

The Electrical and Mechanical Services Department (EMSD) today (October 22) announced the performance ratings of registered lift and escalator contractors for the past 12 months (from October 2019 to September 2020) for public reference.

According to the rating results, 35 registered lift contractors and 26 registered escalator contractors were awarded the Safety Star. Among these contractors, 21 registered lift contractors and 18 registered escalator contractors had not been found non-compliant with the safety and maintenance requirements as reported in the last two consecutive announcements of performance results, and were therefore given the highest rating of five Quality Stars. The EMSD conducted 30 146 inspections of lifts and escalators during the period.

The rating results, conviction records, summaries of the warning letters and equipment failure records are available on the EMSD's website (www.emsd.gov.hk/emsd/eng/pps/le_pub_mpr.shtml).
