Press release: Genetic Technology Bill to take on most pressing environmental problems of our time

Covers precision-bred plants and animals developed through techniques such as gene editing

Guidance: Import live animals and germinal products to Great Britain under Balai rules

When to follow Balai rules to import animals and germinal products to Great Britain from EU and non-EU countries.

Form: Blood products: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export blood products to Great Britain, the Channel Islands or Isle of Man.
