

Consultation outcome: Consultation on Biodiversity Net Gain regulations and implementation

The consultation sets out our proposals, and seeks views, on how biodiversity net gain will work in practice.

Guidance: Lists of recognised breed societies and breeding operations

Recognised breed societies for bovine, ovine, porcine and caprine species, and recognised breed operations for hybrid breeding pigs.

Research: UK breeds at risk from exotic animal disease outbreaks

FAnGR register of at-risk breeds of cattle, horses and ponies, sheep, goats, pigs and poultry; criteria and definitions.

Guidance: Export groups of products of animal origin: use 30-day support attestations to prove health and traceability

Exporters of groups of products of animal origin (POAO) to the EU and Northern Ireland can join the groupage export facilitation scheme (GEFS) to use 30-day support attestations.

News story: Bird flu (avian influenza): latest situation in England

Find out about the latest bird flu situation in England and guidance for bird keepers and the public.
