

## **Form: Caprine and ovine (live): model health certificates**

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export live caprine and ovine to Great Britain, the Channel Islands or Isle of Man.

---

## **Guidance: Clean air zones**

Where you'll find clean air zones, how to check if you'll need to pay a charge and create a business account, and what support or exemptions are available.

---

## **Guidance: Rabies quarantine: authorised premises and carriers**

List of rabies quarantine premises and transporters authorised by the Department for Environment, Food and Rural Affairs.

---

## **Press release: New approach to sustainable drainage set to reduce flood risk and clean up rivers**

A consistent approach to sustainable drainage systems is set to be incorporated into new developments in England.

---

# Policy paper: Sustainable drainage systems review

Review of the benefits and impacts of making sustainable drainage systems (SuDS) a legal requirement for new developments.
