

Statutory guidance: Bird flu: licence to move mammals from or to premises in a protection or surveillance zone where poultry or other captive birds are kept (EXD247(HPAI)(EW))

You should use this licence to move mammals from or to premises in a protection or surveillance zone where poultry or other captive birds are kept.

Statutory guidance: Bird flu: licence to move table eggs into, within or out of a protection or surveillance zone in England, Scotland or Wales (EXD243(AI)(GB))

You should use this licence to move table eggs into, within or out of a protection or surveillance zone.

Official Statistics: Total income from farming for the regions of England

Annual agricultural accounts for England, split down by region. This series replaces the regional element of the discontinued series 'Agriculture in the English regions'.

Promotional material: Bird flu (avian influenza): posters for land managers

Posters for land managers and local authorities to warn the public that bird flu has been detected in the area.

Statistics: Department for Environment, Food & Rural Affairs – Statistics at Defra

We publish national and official statistics relating to the environment, rural communities, food, farming and biosecurity.
