

Environment Agency enforces annual close season for salmon and sea trout fishing

The Environment Agency (EA) is enforcing the annual close season over the winter months to help protect salmon and sea trout from disturbance when spawning, allowing stocks to grow.

Statistical data set: Family food datasets

Detailed annual statistics on family food and drink purchases.

Form: Other animal by-products: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export other animal by-products to Great Britain, the Channel Islands or Isle of Man.

Angler gets penalty that could have bought 19 rod licences

Ryan Sims from Castle Donington, Leicestershire, has been found guilty of fishing illegally.

Rotherham angler catches £400 penalty

A Rotherham man has been found guilty of fishing illegally in a case brought by the Environment Agency to Northampton Magistrates Court on Monday 24 October.
