

Guidance: Avian influenza (bird flu): cases and disease control zones in England

Current and suspected cases of avian influenza (bird flu) in the UK and the disease control measures in place.

Form: Poultry meat: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export poultry meat to Great Britain, the Channel Islands or Isle of Man.

Form: Bovine meat: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export bovine meat to Great Britain, the Channel Islands or Isle of Man.

Guidance: Avian influenza (bird flu): cases and disease control zones in England

Current and suspected cases of avian influenza (bird flu) in the UK and the disease control measures in place.

Multi-million pound Stokesley flood scheme is complete

An Environment Agency flood scheme, which will better protect more than 509 homes and businesses from flooding this winter, is officially complete.
