

Permit variation granted for South London waste facility

Revised permit allows for increase in energy generation.

Permit variation granted for South London waste facility

Revised permit allows for increase in energy generation.

Form: Equines: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export equines to Great Britain, the Channel Islands or Isle of Man.

Guidance: Clean air zones

Where you'll find clean air zones, how to check if you'll need to pay a charge and create a business account, and what support or exemptions are available.

Closed consultation: Environment Act

2021: environmental targets

Seeking views on new targets under the Environment Act 2021 to improve the natural environment.
