

North East 'Ark' sites are safe haven for endangered crayfish

The Environment Agency and Northumberland Rivers Trust have relocated hundreds of native crayfish to six refuge sites in North Northumberland.

Guidance: Businesses approved to export to the EU

Use the lists to check your business in Great Britain (England, Scotland and Wales) or one of the Crown Dependencies (Jersey, Guernsey and Isle of Man) is approved to export to the EU, and find out what your TRACES number is.

Guidance: Plant imports: authorised border control posts in the UK

A list of places where you can bring consignments of plants, seeds and produce into the UK, including ports and airports.

Guidance: Lists of recognised breed societies and breeding operations

Recognised breed societies for bovine, ovine, porcine and caprine species, and recognised breed operations for hybrid breeding pigs.

Guidance: Guidance to help inform when an upland breeding wader survey is needed and when woodland creation is likely to be appropriate

This guidance has been jointly produced by Defra, Forestry Commission and Natural England to help ensure that proposals for afforestation identify and avoid important breeding wader sites.
