

## **Guidance: Guidance to help inform when an upland breeding wader survey is needed and when woodland creation is likely to be appropriate**

This guidance has been jointly produced by Defra, Forestry Commission and Natural England to help ensure that proposals for afforestation identify and avoid important breeding wader sites.

---

## **Guidance: Food labelling: giving food information to consumers**

Find out the information you must give to customers on food products and how to give it.

---

## **Guidance: Food labelling: country of origin**

Find out when you must label your meat, fish or seafood product with its country of origin.

---

## **Guidance: Food standards: labelling and composition**

Legal standards for labelling and composition of food products such as bottled water, milk and meat.

---

## **Guidance: Egg marketing standards**

Marketing standards for egg producers, manufacturers, retailers and distributors.
