

Statistics: Department for Environment, Food & Rural Affairs – Statistics at Defra

We publish national and official statistics relating to the environment, rural communities, food, farming and biosecurity.

Form: Other meat: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export other meat to Great Britain, the Channel Islands or Isle of Man.

Impact assessment: Review of statutory exemptions for permitted uses of persistent organic pollutants (POPs)

Seeking information from industry on the use of four existing persistent organic pollutants.

Closed consultation: 2030 Strategic framework for international climate and nature action

Seeking views on how the UK can encourage international climate and nature action over the next decade.

Extreme heat: Environment Agency calls on public to help protect fish

Environment Agency officers are on the ground protecting fisheries across England as temperatures soar.
