

Environment Agency report sets out urgent need to work with nature

EA Chief Executive warns of a 'silent spring' for wildlife if warnings are ignored and urges action ahead of the UN Convention of Biological Diversity.

Reversing the Nature Crisis: Silent spring or Adlestrop?

Speech by Sir James Bevan, Chief Executive, Environment Agency

Guidance: General licences and authorisations to import live animals or animal products

Licences you need to import genetic material, research and diagnostic samples, trade samples and display items, and some live animals and animal products.

Research: Pesticide residues in food: quarterly monitoring results for 2021

Results from the quarterly monitoring programme to check UK grown and imported food for pesticide residues.

Guidance: Avian influenza (bird flu): cases and disease control zones in England

Current and suspected cases of avian influenza (bird flu) in the UK and the disease control measures in place.
