

Guidance: Sample sheep and goat holding register

To protect the health of your livestock and to make it easier to trace your animals, you must keep a register of the animals on your holding.

Guidance: Sheep and goat keepers: how to report animal movements

Find out how to report sheep or goat movements through the Livestock Information Service (LIS) electronically or in paper form.

Guidance: Sheep and goat keepers: how to keep a holding register

Records you need to keep in a holding register including identifiers applied on your premises, animal movements and an annual inventory.

Guidance: Abattoirs: report and record sheep and goat arrivals

Find out about your reporting and recording requirements when sheep or goats arrive at your abattoir.

Press release: Consultations launched on measures to help local authorities tackle air pollution

Proposals aim to help ensure that air quality standards are met in our communities
