---

## **Guidance: Funding for farmers**

You can apply for money to improve the environment while producing high quality food and other products if you're a farmer, land manager, forester or horticulturist.

---

## **Press release: £11.6m boost for local authorities to tackle air pollution**

Air Quality Grants awarded across England to fund local projects for cleaner air.

---

# **Changes to Environment Agency's abstraction charges to safeguard water supplies for people and wildlife**

Businesses, including water companies and farmers must hold a licence to abstract more than 20 cubic metres of water a day from a river, stream, canal or groundwater, and pay charges for this from 1 April 2022.
