

Pilot project aims to help safeguard native white-clawed crayfish

Survey work has started as part of a new Environment Agency pilot to trace native and non-native crayfish in North East and Yorkshire rivers.

Official Statistics: United Kingdom Food Security Report 2021

The report sets out an analysis of statistical data relating to food security, fulfilling the duty in the Agriculture Act 2020 to present a report on food security to Parliament at least once every three years. The UKFSR examines past, current, and predicted trends relevant to food security to present the best available understanding of food security.
