

Guidance: Aims of the Sustainable Farming Incentive pilot standards

Each standard has a set of aims that participants should achieve if they have followed all the actions. These aims are the primary focus for site visits.

Research: Avian influenza (bird flu) in Europe, Russia and in the UK

Preliminary and updated outbreak assessments for avian influenza (bird flu) in Europe, Russia and in the UK.

Research: Avian influenza (bird flu): epidemiology reports

Investigations carried out to describe and explain cases of avian influenza (bird flu).

Guidance: Sustainable Farming Incentive pilot: summary of advice

An introduction to the advice available for farmers doing the actions from the standards.

**Research: Genetically Modified
Organisms: Rothamsted Research
(21/R08/01)**

Inviting representation on an application from Rothamsted Research to release a genetically modified organism, reference 21/R08/01.
