

Guidance published on new carbon capture technologies

The new guidance outlines recommended techniques for carbon capture and supports the Government's aim for the UK to become carbon net zero.

Guidance: Travel with assistance dogs: transport companies and routes

Check the air, sea and rail carriers registered with the Animal and Plant Health Agency to transport assistance dogs with their owners.

Guidance: Plant imports: authorised border control posts in the UK

A list of places where you can bring consignments of plants, seeds and produce into the UK, including ports and airports.

Guidance: Pet travel: approved air, sea and rail carriers and routes

Check the transport companies and routes you can use to bring your pet cat, dog or ferret to England, Scotland or Wales.

Guidance: Honey bees: protecting them from pests and diseases

How to spot and report bee pests and diseases.
