

Guidance: Use rotational grazing on permanent grassland

Find out how land managers can increase the number of plant species and improve soil health on permanent grassland by using rotational grazing.

Guidance: Information on farm advice for farmers and land managers

The Farm advice programme is managed by Natural England and provides advice to farmers, land managers and their advisors. It also raises awareness and understanding of environmentally sustainable land management to support Countryside Stewardship Mid Tier applications.

Guidance: Create areas of bare ground for invertebrates

Find out how land managers can create essential habitat for invertebrates, to increase their numbers and help plant and crop pollination.

Statistical data set: Wholesale fruit and vegetable prices

Series of weekly average wholesale market prices of selected home grown horticultural produce.

Statistical data set: Banana prices

Average weekly wholesale prices of bananas by country of origin
