

The Common Organisation of the Markets in Agricultural Products (Transitional Arrangements) (Amendment) Regulations 2021

This instrument will amend retained European Union (“EU”) and domestic legislation in accordance with the European Union (Withdrawal) Act 2018 (as amended by the European Union (Withdrawal Agreement) Act 2020). Technical amendments will be made to the ‘grace periods’ or transitional provisions concerning import requirements that apply to certain marketing standards sectors (i.e. hops and hop products, wine, fruit and vegetables) exported by the EU to Great Britain (“GB”), as well as to those that apply to hops and fruit and vegetables exported by third countries into GB. In addition, technical amendments will also be made to the grace periods applying to import requirements for organic products exported by the EU, European Economic Area states and Switzerland to GB.

Guidance: Issue plant passports to move regulated plant material in Great Britain

How growers and traders can get authorised to issue plant passports, when you need to be authorised and the plants that need passports.

Environment Agency delivers £1.3 million boost to England’s fisheries

The EA's Fisheries Improvement Programme has invested in 170 projects over 12 months to boost fish stocks, improve facilities and accessibility for anglers.
