

The Environment (Miscellaneous Amendments) (EU Exit) Regulations 2020

This instrument makes amendments to environmental laws to address minor errors and to ensure they continue to operate effectively after the end of the implementation period. It also makes necessary amendments to directly applicable retained EU law. Regulations 2, 3 and 4 make changes to secondary legislation that implemented EU environmental laws relating to air quality and endangered species. Regulations 5 and 6 make minor changes to Regulations made under section 8(1) of the European Union (Withdrawal) Act 2018, relating to air quality and chemicals.

Environment Agency submits final plans for Otter Valley project

A ground-breaking project to help the lower Otter Valley adapt to climate change and create an internationally important wildlife reserve has been submitted to planners.
