Guidance to support an appraisal of a flood or coastal erosion risk management project.

The Environment (Miscellaneous Amendments) (EU Exit) Regulations 2020

This instrument makes amendments to environmental laws to address minor errors and to ensure they continue to operate effectively after the end of the implementation period. It also makes necessary amendments to directly applicable retained EU law. Regulations 2, 3 and 4 make changes to secondary legislation that implemented EU environmental laws relating to air quality and endangered species. Regulations 5 and 6 make minor changes to Regulations made under section 8(1) of the European Union (Withdrawal) Act 2018, relating to air quality and chemicals.

National Statistics: Emissions of air pollutants

An annual publication covering the emissions of some important air pollutants.

New leaflet launched to help communities prepare for flooding

The Environment Agency has launched the first in a series of new support leaflets to help North East communities be better prepared for flooding.

Norfolk households urged not to become accidental waste criminals

Facebook users in Norfolk that use unregistered waste carriers could find themselves 'accidental criminals', warns the Environment Agency.
