

Guidance: Pet travel: approved air, sea and rail carriers and routes

Check the transport companies and routes you can use to bring your pet cat, dog or ferret to England, Scotland or Wales.

Guidance: Combining environmental payments: biodiversity net gain (BNG) and nutrient mitigation

How land managers can combine biodiversity units and nutrient credits, and sell them alongside other environmental payments.

Guidance: What you can count towards a development's biodiversity net gain

How developers can use habitat creation or enhancements to count towards their biodiversity net gain (BNG).

Guidance: Statutory biodiversity metric tools and guides

Tools and guides for measuring the biodiversity value of habitat for biodiversity net gain (BNG).

Guidance: Creating a habitat management and monitoring plan for BNG

What to include in a habitat management and monitoring plan (HMMP) to improve biodiversity for the long term.
