

Research: List of large producers on the report packaging data service

This is a list of large organisations ('producers') who have reported their data using the report packaging data (RPD) service.

Policy paper: Persistent Organic Pollutants (POPs): policy information

Information on the Stockholm Convention on Persistent Organic Pollutants (POPs) and the UK's obligations.

Form: Defra honours nomination form

Complete this form to nominate a Defra stakeholder for an honour.

Press release: Environment Agency launches Flood Warning Service in Charnwood

The new service will benefit close to 700 properties with flood warnings helping residents and businesses knowing what action to take in event of a flood.

Guidance: Report packaging data

Sign in or create an account for your organisation to report packaging data. This means it can comply with extended producer responsibility (EPR) for packaging.
