

Heavy rain to increase flood risk across Surrey

Surface water flooding and rise in river levels possible, along with disruption to travel.

SRUC and ADAS join forces

Agri-business across the UK will enjoy greater access to the latest independent advice backed by world-leading research and innovation, thanks to a new partnership between SRUC and ADAS.

Flood risk: Drier conditions expected but river levels stay high

Communities in England are urged to check their flood risk and sign up to flood warnings as ground water and river levels remain high.

Guidance: Historic buildings restoration grant: Countryside Stewardship

Capital grant to help farmers and land managers restore historic buildings: find out about eligibility, how to apply and the scheme's rules.

Getting to know gamekeepers

While they play an important part in the management activities of large areas of Scotland, little is known about the daily lives of gamekeepers and their attitudes, motivations and behaviours.
