Statistical data set: ENV09 – England biodiversity indicators

A strategy for England's wildlife and ecosystem services, biodiversity 2020 indicators: 2019 assessment.

In December 2019, this dataset was updated in order to correct an error in indicator 13 and to reflect the availability of new data for indicators 2b, 4c and 19. The revised dataset supersedes the earlier version published on 5 September 2019.
