Eight in 10 farmers benefit from working with government pollution advice service

A network of 20,000 farms are taking action to drive down water pollution and protect the environment

Press release: Eight in 10 farmers benefit from working with government pollution advice service

A network of 20,000 farms are taking action to drive down water pollution and protect the environment

Focus on what you can control

With the outcome of Brexit still far from certain, many farm businesses have little clear idea of what they could – or should – be doing to prepare.

Open consultation: Waste Electrical and Electronic Equipment (WEEE) compliance fee 2019

Seeking views on whether we should set a compliance fee for 2019. We also want your views on two proposals for managing this year's fee.
