

Review to continue improvements in bio-waste sector

The Environment Agency is set to launch a review of permitted waste sites within the bio-waste sector, which includes composting, anaerobic digestion and mechanical biological treatment.

Children of Chernobyl

Children from areas affected by the 1986 Chernobyl nuclear disaster have enjoyed some much-needed respite at Scotland's Rural College this summer.

Heavy bale warning

Farmers are being warned about the dangers posed by heavy straw bales due to the recent poor weather conditions.

Form: Give prior notification to land fish in the EU

In a no-deal Brexit, you'll need to give prior notification before you land fish directly from your UK flagged vessel in an EU designated port.

CLOSED: Thriving at work – health,

disability and neurodiversity IP2.1 & IP2.2 (OC39S19P1448)

Call to run a project in York, North Yorkshire & East Riding to support managers and individuals to aid progression within the workplace for those with mental and physical health concerns.
