

Transparency data: Strategic noise mapping (2019)

Explaining which noise sources were included in the 2017 (Round 3) strategic noise mapping dataset.

Consultation outcome: Draft noise action plans (2018)

Seeking views on three draft Noise Action Plans covering roads, railways and agglomerations (large urban areas).

Policy paper: Noise action plans: large urban areas, roads and railways (2019)

Noise action plans (Round 3) for agglomerations (large urban areas), roads (including major roads) and railways (including major railways).

The Animal Health, Invasive Alien Species, Plant Breeders' Rights and Seeds (Amendment etc.) (EU Exit) Regulations 2019

This instrument makes a number of technical changes to existing instruments and takes into account recent changes to EU legislation which could not be included in earlier EU Exit instruments. It will ensure that retained EU law

continues to operate effectively after the UK leaves the EU. It covers animal health, invasive non-native species and plant varieties and seeds policy areas.

Detailed guide: Controls on mercury

Regulation of mercury and mercury compounds, in particular, how the use of dental amalgam will be reduced in England, Scotland, Wales and Northern Ireland.
