

Press release: Nottinghamshire project to protect native white-clawed crayfish

Protecting our native white-clawed crayfish from the invasive American signal crayfish

Press release: £40m Great Yarmouth flood defence upgrade set to start

The work will better protect more than 4,500 properties from tidal flooding

£104k to promote locally sourced food and drink

Funding has been granted to initiatives across Scotland to help celebrate Scotland's regional food and drink industries.

Press release: Brown trout and endangered crayfish rescued from river pollution

Environment Agency teams have moved around 700 fish to safety

No half measures

The appointment of three new “outstanding” non-executive directors means that, for the first time in its history, Scotland’s Rural College will have a 50:50 gender split on its board.
