## **Open consultation: Environment Agency boat registration charges 2019 to 2023**

The Environment Agency is working on a 5 year navigation charging plan for 2019 to 2023.

They are also reviewing their boat registration charging scheme to make it simpler and more consistent.

They want your views to help shape their proposals.

## **Blight on Scottish forests**

Exotic pine tree species planted next to native Scots Pine forests should be removed to limit the risk of disease to native trees, new research suggests.

---

## **Notice: MK43 0PR, Drax Power Limited: environmental permit application advertisement**

*Updated:* Consultation closing date extended to 30 March 2018

The Environment Agency consults the public on certain applications for waste operations, mining waste operations, installations, water discharge and groundwater activities. The arrangements are explained in its [Public Participation Statement](#)

These notices explain:

- what the application is about
- how you can view the application documents
- when you need to comment by

The Environment Agency will decide:

- whether to grant or refuse the application
- what conditions to include in the permit (if granted)
