## [Notice: England Coast Path at Coulderton and Nethertown: comment on proposals to change the approved route](#)

On 1 August 2018, Natural England submitted a report to the Secretary of State for Environment, Food and Rural Affairs setting out proposed changes to the approved route of the England Coast Path in Cumbria at Coulderton and Nethertown.

Read the variation report to find out why changes to the approved route are required.

The opportunity to comment closes at midnight on 26 September 2018.

Objections will be passed to an independent planning inspector who will make a recommendation to the Secretary of State about each one.

The Secretary of State will consider all representations and objections before making a decision about Natural England's proposals.

### **Comment on Natural England's proposals**

View the [guidance on representations and objections](#).

#### **Make a representation**

Anyone can make representations to us about the variation report. Read the representation guidance notes before completing the representations form (both are attached above).

#### **Make an objection**

Owners and occupiers of affected land may make objections about the variation report. Read the objection guidance notes before completing the objection form (both are attached above).

This decision includes the permit and decision document for:

- Operator name: JBR Recovery Limited
  - Installation name: West Bromwich Silver Refinery
  - Permit number: EPR/BJ9878IQ/V013
- 

## **Guidance: Hot and dry weather conditions in England**

*Updated:* Information added about grazing field margins or using them for fodder.

The prolonged hot and dry weather conditions are causing difficulties for farmers in meeting the requirements of rural grant and payment schemes. The guidance above sets out how to deal with any difficulties arising from the unusual weather.
