

Notice: Notice of application for a drought order: Ennerdale

TAKE NOTICE that due to the threat of a serious deficiency of supplies of water in the part of its water supply area served by Ennerdale Water caused by an exceptional shortage of rain, United Utilities Water Limited ("the Company") is applying to the Secretary of State for the Department for Environment, Food and Rural Affairs for a drought order under Section 73 of the Water Resources Act 1991.

Corporate report: Environment Agency corporate scorecard quarter four 2017 to 2018

The Environment Agency has 12 corporate measures. These are:

- the water environment is healthier
 - we protect people, the environment and wildlife by reducing serious pollution incidents
 - we create new habitats
 - we reduce the number of high risk illegal waste sites
 - we reduce the risk of flooding for more households
 - we maintain our flood and coastal risk management assets at or above the target condition
 - we have a first class incident response capability
 - we manage our money efficiently to deliver our outcomes
 - we respond to planning applications within 21 days
 - we reduce our carbon footprint
 - we have a diverse workforce
 - we provide a safe place to work
-
