

Notice: SG8 7SL, ION Science Limited: environmental permit application advertisement

The Environment Agency consults the public on certain applications for Radioactive Substances Activity. The arrangements are explained in its [Public Participation Statement](#)

These notices explain:

- what the application is about
- which Environment Agency office you can visit to see the application documents on the public register
- when you need to comment by

The Environment Agency will decide:

- whether to grant or refuse the application
- what conditions to include in the permit (if granted)

Beechgrove's Carole reminisces on her time at Elmwood during recent visit to Cupar

The popular Beechgrove Garden television show has been filming at Elmwood Golf Course recently as part of their roadshow series.

ESOL volunteer programme harvesting valuable results

The ESOL Volunteering Programme, based at the Elmwood campus of SRUC is proving to be a very successful addition to the English for Speakers of Other Languages (ESOL) delivery in Cupar.

[Press release: Poultry farm permit application drop in session](#)

The Environment Agency is holding a public drop in session on Friday 15 September, 2pm to 7pm at:

Upton Snodsbury Village Hall

Worcestershire

The aim of the drop in is to speak to local residents and answer any questions about the environmental permit application which has been submitted to the Environment Agency by A&C Poultry to operate a free range poultry farm in Upton Snodsbury, Worcestershire.

The environmental permit application is separate from the planning application process and focuses on the technology used, how the site is to be operated, the emissions from the operation and any direct impact the site has on human health and the environment. The Environment Agency are not able to consider the suitability of the location (other than the impacts of emissions on local receptors), visual impact, the need for the facility, where the waste comes from and any infrastructure impacts such as transport, power lines and utilities, as these are part of the planning process.

Dane Broomfield, Environment Management Team Leader, said:

It is important that we obtain and consider the views of the public before we make any decision regarding the application. We would like to invite communities close to the site to forward any comments on the application as part of our consultation process. The consultation period started on 14 August 2017 and will end on 29 September 2017.

Copies of the [permit application and supporting documents](#) are available online.

Or you can view the documents on the public register free of charge at the following location:

Environment Agency

Riversmeet House

Newtown Industrial Estate

Northway Lane

Tewkesbury

Gloucestershire

GL20 8JG

Any comments should be made in writing by 29 September 2017 to:

The Environment Agency

Permitting Support Centre

Environmental Permitting Team

Quadrant 2

99 Parkway Avenue

Parkway Business Park,

Sheffield

S9 4WF

Or by emailing pscpublicresponse@environment-agency.gov.uk, quoting reference EA/EPR/HP3433YU/A001 in any correspondence.

Dane explained:

The Environment Agency will consider any issues raised, and will produce a draft decision on whether we are 'minded to' issue to the environmental permit. We will announce our draft decision and there will be another period of public consultation at this stage.
