SRUC Elmwood Golf Course will be opening its doors to local high schools and visitors on Friday 10 March.

[Press release: 8 anglers face combined fines of over £5,600 for fishing illegally in Staffordshire](#)

On 20 February 2017, North Staffordshire Justice Centre Magistrates' Court issued a total of £5,680 in fines to 8 anglers caught fishing illegally last summer.

All 8 anglers were caught fishing without a rod licence by Environment Agency officers out on regular patrols, and with an annual rod licence costing £27, these anglers have really been left out of pocket.

Matthew Bamford of Werrington Road in Stoke on Trent, Ricky Fisher of Millfield Road in Walsall, Mark Francis of Sefton Park Road in Liverpool, Robbie Johnson of High Street in Laurencekirk, Carl Johnson of Cowlshaw Way in Rugeley, Anthony Leese of Dawlish Drive in Stoke on Trent, Blain Pickering of Community Drive in Stoke on Trent, and Richie Wilkes of Nash Peake Street in Stoke on Trent, were all found guilty under Section 27(1)(a) of the Salmon and Freshwater Fisheries Act 1975.

Magistrates heard that on 3 separate days last June and July, Environment Agency enforcement officers found these anglers fishing without a rod licence at pools in Stoke on Trent, Rugeley, Eccleshall and Penkridge.

Andrew Eardley from the Environment Agency said:

The majority of anglers fish legally and purchase a rod licence. With an annual licence costing £27 it seems ridiculous that anglers risk a significant fine like these we've seen here.

The minority of anglers that fail to buy a rod licence are cheating their fellow anglers and the future of the sport. Rod licence cheats risk a criminal conviction, a significant fine and could lose their fishing equipment.

Money from rod licence sales is invested in England's fisheries and is used to fund a wide range of projects to improve facilities for anglers including protecting stocks from illegal fishing, pollution and disease; restoring fish stocks through re-stocking; eradicating invasive species; and fish habitat improvements. Rod licence money is also used to fund the Angling Trust to provide information about fishing and to encourage participation in the sport.

You need a valid Environment Agency Rod Licence if you are aged 12 or over and fish for salmon, trout, freshwater fish, smelt or eel in England.

Anyone witnessing illegal fishing incidents in progress can report it directly to the Environment Agency incident hotline on 0800 80 70 60. Information on illegal fishing and environmental crime can also be reported anonymously to Crime stoppers on 0800 555 111.
