Guidance: Hadleigh Marshes Policy Unit: Thames Estuary 2100

What needs to be done to manage flood risk and adapt to rising sea levels in Hadleigh Marshes, one of 23 policy units in Thames Estuary 2100 (TE2100).

Press release: Regional Flood and Coastal Committee (RFCC) Acting Chair appointment

The English Severn and Wye RFCC Acting Chair appointment has been announced.

Guidance: Guidance to help inform when an upland breeding wader survey is needed and when woodland creation is likely to be appropriate

This guidance has been jointly produced by Defra, Forestry Commission and Natural England to help ensure that proposals for afforestation identify and avoid important breeding wader sites.
