

Form: Bovine germinal products: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export bovine embryos to Great Britain, the Channel Islands or Isle of Man.

Guidance: Tree health pilot scheme 2022

Find out if you can apply for tree health pilot (THP) scheme grants to help slow the spread of tree pests and diseases.

Guidance: UK border control posts: animal and animal product imports

Find an approved UK Border Control Post (BCP) to check the animals, animal products or high-risk food and feed of non-animal origin in your consignment.

Press release: Communities mark 70th anniversary of East Coast Tidal Surge

Commemorative activities will mark the milestone anniversary of the tragic event which saw 307 lives lost in England and more than 2,500 across Europe

Guidance: Confined establishments approved to export ungulates to the EU

Lists of confined establishments in Great Britain, Jersey and the Isle of Man approved to export or move ungulates to the EU and Northern Ireland.
