

Best baa none

A recently graduated student from North Lanarkshire proved to be top of the flocks after picking up two awards at Scotland's Rural College.

Muesli helps slug it to farm pest

An unlikely new weapon in Scottish farming's battle with the multi-million pound slug menace has been revealed – Swiss-style muesli.

Know the score

The importance of body condition scoring mature ewes at key stages in the year, such as weaning and pre-tupping, has been highlighted by the Scottish Government's Farm Advisory Service (FAS).

Mountain research piques Cabinet Secretary's interest

SRUC's Kirkton & Auchtertyre upland research and demonstration farms, near Crianlarich, were recently the focus of a Ministerial visit.

Feed and phenotyping

A special event at Scotland's only "phenotype farm" has highlighted the importance of feed-intake monitoring.
