

[**Agriculture students learn KORE skills**](#)

Agriculture students at SRUC have been given access to an online precision farming platform which allows them to map variation in crops using satellite data.

[**Grouse moors and gamekeepers**](#)

Moorland management in Scotland has come under the spotlight in a series of reports assessing socioeconomic and biodiversity impacts of driven grouse moors and the employment rights of gamekeepers.

[**New antibiotics usage survey seeks sheep farmers' views**](#)

Farmers and vets are being asked to take part in a survey which aims to establish the amount of antibiotics used in the Scottish sheep industry.

[**Smart Sheep**](#)

SRUC is part of a research consortium awarded funding to encourage the adoption of Precision Livestock Farming (PLF) technologies in UK sheep flocks.

[**How farm vets cope**](#)

A new website to help vets cope with the daily challenges of farm animal practice has been launched by Scotland's Rural College (SRUC).
