

Queen's Anniversary Prize reception

SRUC scientists, whose world-leading research has spanned nearly half a century of study into the Langhill dairy herd, were among guests at a reception to celebrate our Queen's Anniversary Prize.

Save your energy

Electricity storage systems on farms could play a major role in the next step of the "energy revolution".

Work starts on SRUC's new Poultry Science Research Centre

Work has started on a new state-of-the-art Poultry Science Research Centre at the Bush Estate, Midlothian, just outside Edinburgh.

Rare Breeds post Brexit

SRUC researchers facilitated a workshop hosted by the Rare Breeds Survival Trust to explore the development of support structures for conservation of the UK's Native Breeds at Risk post Brexit.

Paula Cuccurullo

Job title: SRUC Learner Engagement Officer (LEO). Location: Edinburgh Campus.
