

## **SRUC graduates on course for great things**

A commis chef at a Michelin-starred restaurant, a national park ranger at Hadrian's Wall and a greenkeeper at a Ryder Cup golf course are just some of the exciting roles landed by students from SRUC.

---

## **Farm safety training rolled out to tackle Scotland's farm accident death toll**

SRUC has been working with the Farm Safety Foundation to help raise awareness of the risks and hazards farmers face in the workplace on a daily basis.

---

## **Free workshops to help support food and drink businesses in the West**

Small and medium sized food and drink businesses in the West can access free support and advice at workshops provided by the Scottish Government's food and drink advisory service – Connect Local.

---

## **Farm Management Handbook goes digital.**

38th edition 'invaluable resource' amid Brexit uncertainty.
