

## **Scots scientists explore options on organic oilseed**

Scientists have teamed up with farmers and industry to explore the possibility of growing organic oilseed rape (Canola) in Scotland for the first time.

---

## **Common grazing dilemmas**

Crofters in the Highlands and Islands will be offered solutions to common grazing dilemmas at two workshops in the New Year.

---

## **SRUC and ADAS join forces**

Agri-business across the UK will enjoy greater access to the latest independent advice backed by world-leading research and innovation, thanks to a new partnership between SRUC and ADAS.

---

## **Getting to know gamekeepers**

While they play an important part in the management activities of large areas of Scotland, little is known about the daily lives of gamekeepers and their attitudes, motivations and behaviours.

---

## **Christmas bonus for 'change your path'**

## students

A former construction worker, a chef and a waitress are among a group of mature students receiving a cash gift at Christmas after winning 'Change Your Path' bursaries.
