

EPD to launch 2024-25 Natural Christmas Trees Recycling Programme

To encourage recycling and upcycling of yard waste in the community, the Environmental Protection Department (EPD) today (December 20) called on members of the public and commercial and industrial (C&I) organisations to recycle their natural Christmas trees waste (NCTs) intended for disposal under the 2024-25 NCTs Recycling Programme. The NCTs collected will be processed at Y·PARK and turned into different recycled products, such as mulch and sawdust for planting and gardening, etc. The Programme arrangements are as follows:

Collection period: January 3 to 7, 2025 (five days)

Collection points: The following Central Collection Point and District Collection Points

Central Collection Point (CCP)	Address	Telephone	Collection time
Y·PARK	EcoPark, 133 Lung Mun Road, Tuen Mun Area 38	5743 9221/ 9728 9341	9am to 6pm
District Collection Points (DCPs) (including the EPD's Recycling Stations and the Food and Environmental Hygiene Department's Public Refuse Collection Points (RCPs))	Address	Telephone	Collection time

14. GREEN@ISLANDS	1 Chung Mun Road, Tung Chung	2499 2308	
15. GREEN@SAI KUNG	3 Po Lam Lane, Tseung Kwan O	2727 7330	

Note: If members of the public and C&I organisations have to recycle NCTs before January 3 or during January 8 to 20, 2025, please deliver them to Y·PARK during its operating hours (9am to 6pm, Monday to Saturday, except public holidays).

An EPD spokesman said that the Programme is limited to the recycling of NCTs, and all lighting, plastic stands, decorations and tape on the NCTs should be removed before delivery to facilitate the subsequent recycling processes. Artificial Christmas trees and other festival decorations can be kept for reuse to help reduce waste and conserve resources, while small potted plants such as poinsettias can be replanted.

An e-certificate will be issued to the participants who deliver NCTs to the CCP or the Recycling Stations for recycling. Participants will also receive a gift upon delivery of NCTs to the Recycling Stations while stocks last. For details of the NCTs Recycling Programme, please visit the Hong Kong Waste Reduction website at www.wastereduction.gov.hk/en-hk/article/2024-25-natural-christmas-trees-recycling-programme.

The EPD also welcomes other organisations and associations to provide recycling services for NCTs to help the public and C&I organisations to participate and enhance waste reduction efforts for all.
