

ESMA seeks two candidates – academics and financial market participants – for its stakeholder representative group

The SMSG helps to facilitate consultation between ESMA, its Board of Supervisors and stakeholders on ESMA's areas of responsibility and provides technical advice on its policy development. This helps to ensure that stakeholders can contribute to the formulation of policy from the beginning of the process.

The successful candidates will take up their roles on 1 January – academic – and 1 May 2018 – financial market participant, respectively.
