## ESMA updates its Q&A under the Alternative Performance Measures guidelines

The new questions provide information on:

- 1. the definition of APMs:
- 2. the scope of the APM guidelines;
- 3. application of the scope exemption
- definition of the APM 'organic growth';
- 5. how to carry out reconciliation; and
- 6. how to apply the fair review principle.

An alternative performance measure is a financial measure of historical or future financial performance, financial position, or cash flows, other than a financial measure defined or specified in the applicable financial reporting framework. The guidelines apply to alternative performance measures disclosed by issuers or persons responsible for drawing up a prospectus (read ESMA's one page <a href="mailto:summary">summary</a>).

The purpose of this Q&A is to promote common supervisory approaches and practices in the implementation of these guidelines.
